

Green Contractor Training Series

Watch for information soon on the Green Contractor Training Series that we will be offering in partnership with the Norfolk Environmental Commission.

All classes will be held at the Ernie Morgan Center in Norfolk and topics include:

November – Greening Your HVAC Installations

December – Introductions to LEED, EarthCraft & Energy Star Certification Programs

January – Solar and On-Demand Hot Water Heating System Installation

February – Green Landscaping & Watershed Friendly Site Design & Establishment

March – Building Materials Safety Training

April – Construction Site Management for Cost Savings and Environmental Protection

May – Energy Star Audits for Homes

June – Insulation & Building Envelopes

Sign up information will be coming soon. Individual classes are \$45. Register for three or more and the cost is \$35 each.

For additional information, contact Norfolk Department of Public Works or Lynnyhaven River Now
